

COUNTY BLUEGRASS FESTIVAL SPONSORSHIP

Bluegrass music was designed by Bill Monroe to use four simple chords, making it easy for anyone to play the music with their instruments, which is the common theme for all bluegrassers, whether they play, sing or just enjoy listening. This simple form of music has drawn in newcomers who marvel at the camaraderie around the bluegrass events. Be part of Bluegrass in the County! Each year our Festival has grown and is now one of the premier music events in New England. With your generous sponsorship we can continue to grow and benefit your organization. Bluegrassers, or people who attend these events, have proven to be a very loyal community who support the businesses that help make these events possible through sponsorship.
